COUNCIL 'TRIO' NIX PROTEST, PASS SALES TAX

VISIBLY displeased and joining the city in battling the state's plans for a freeway through Daly City (one plan east-west through Westlake, the other north-south) are Alyce Shea, Westlake Improvement Association secretary, and Edward Murphy, former WIA director and a council candidate. The council Monday night said only San Francisco is responsible for north-south traffic flow to the coast and that Daly City is "irrevocably opposed" to any east-west route "splitting this community."

DEADLINE TODAY

Field Of Ten Seen In Council Scramble

Seven candidates were in the running at press time today for the red-hot April 8 city council election, with at least three more expected to join the scramble for three seats by filing deadline this Thursday noon.

Councilman Del Wilson was first to file, tossing his hat into the campaign on January 24. Returning papers last Friday were Peter J. Becker Jr., 824 Templeton; Gerald S. Colvin, 14 Wilshire court, and Joseph Lewkowitz, 501 Vista Grande.

Edward Murphy, 298 Northgate, filed Monday, and the "team" of former councilman Edward J. Dennis, 156 Mateo avenue, and 49er footballer Bob St. Clair, of Westlake, entered the picture Tuesday.

Councilman Micheal De Bernardi and Sanford Vickers, who crusaded against the council majority on the sales tax, are expected to file momentarily.

Another rumored candidate is Fred Bertetta, 10 Wilshire court. He previously served on the council, school board and planning commission.

Registration deadline for voters also is this Thursday, with the 10 designated deputy registrars throughout the city on duty all day.

The April 8 poll turnout looms as the biggest in municipal history.

City Clerk Evelyn Mosman reports that Daly City had 14,238 registered voters as of last December. At the '56 council election, 55 per cent of the then 10,500 registered voters cast their choices.

WAR MEMORIAL HOSTS KIP-PAL 'TALENT SHOW'

War Memorial community center should be jammed this Friday night when KIP and PAL join forces to present a giant Valentine's Day "Talent Show."

The community's young talent and outside performers will share the spotlight, with the program to begin at 8 p.m. Admission is $1 for adults and 50 cents for children.

Proceeds will aid both youth organizations. Mrs. Kay Irvine is KIP director. President John Coleman is handling the PAL aspect of the show.

Pedestrian, 72, Struck By Auto, Dies Of Injuries

Percy Yendell, 72, of 354 Irvington street, died Tuesday night in Community hospital from injuries sustained Saturday afternoon when he was struck by a car near the Mission-Evergreen intersection.

Driver of the vehicle, Melvin Hess, 19, of 518 Hillside boulevard, was not cited, according to preliminary police report. The auto hit the elderly man some 45 feet east of Evergreen, said officers Richard Phillips and Richard DeLosa.

Hess said he spotted Yendell at a distance of 25 feet and applied his brakes.

Funeral services are pending.

Slide Threatens Home In B'moor

County engineers relieved volunteers Tuesday at the task of removing hill-slide mud—four feet deep and up against the house—from the backyard of Yolanda Legate, 1211 Nimitz drive in Broadmoor.

The slide occurred Monday morning about 10:35 o'clock, with Police Chief Ray Savage and volunteers quickly on the job.

The family will not have to evacuate as was first expected, Savage said.

Woman To Make Bid In Colma

For the first time in its 34-year-old history, the cemetery town of Colma has come up with a woman candidate for a seat on the municipal council She is Mrs. Rena Vallerga, of 448 E street, wife of John Vallerga, superintendent of Eternal Home cemetery.

Mrs. Vallerga is no stranger, however, to Colma's civic activities, having served at times on committees concerned with

CITY DECLARES 'WAR ON WEEDS'

The city today asked residents to join in the "War Against Weeds" — or face "fines" of $10 if a to-be-contracted outside firm has to step in to eliminate this "public nuisance and fire hazard" problem.

The council's weed abatement resolution passed Monday night, calls for a massive move against weeds and bids from a private firm to do the job.

City Manager Howard Stites urges property owners to comply immediately. If they don't, their tax bill could be increased by $10—the price the city figures it costs to "disc" and clean up individual lots.

Anyone who objects to the move is notified that February 24 is the date for public hearing.

"The fire department has done much of the work so far," Stites said, "but it's such a big project we have to contract a private firm."

City Asks County Aid On 3 Jobs

City fathers Monday night pinpointed three priority projects for the '58-'59 fiscal budget, costs of which they want shared by the county.

Their resolution to the board of supervisors seeks a commitment from the county on: Market street improvements, Edgemar road, and signals along Skyline.

Realignment of Edgemar road, in particular, has been a thorny problem, due to the hesitancy of builder Mike Callan to join with the McKeon developers and the high school district in expediting the project.

The council also designated Lynnewood avenue between Alemany and Southgate a major city street, paving the way for gas tax funds to help finance signal changes at Lynnewood-South Mayfair.

In other action Monday, the council:

1. Accepted letter of resignation of Edward A. Lopez from the planning commission.
2. Reviewed cancellation of $124.49 overpayment to Roy P. Culp.
3. Referred $54,910 damage suit against city by the Curtin family to city attorney. The defendants ask compensation for alleged injuries sustained in a December crash with a city truck on Junipero Serra.
4. Granted business licenses to William C. Hanson for used car operation at 6755 Mission, and to Tip's Catered Foods, Alemany and Lake Merced.
5. Adopted ordinance for 34 consolidated precincts for municipal election on April 8, establishing polling places and appointing precinct officers.
6. Granted dance permit to Retail Dry Cleaners Association for this Saturday at West-

COUNCIL SEES $8000 OUTLAY ON RESERVOIR

It will cost the city about $8000 to repair the earthquake-cracked Westlake reservoir in the Palisades, the council learned Monday night when it moved to advertise for bids on the project.

City Manager Howard Stites said an additional outlay of about $3000 is probable for paving the area adjacent to the reservoir's outside walls. This will be opened in about a month, he said.

The council also authorized bids for a new booster pump out-of-commission reservoir.

Approval was granted for the hiring of another engineer and drafting Steering Committee on water system problems and designs for a third Westlake-serving reservoir, to be located off Edgemar road.

NEVER HAVE SO MANY BEEN REPUDIATED BY SO FEW

Democracy, at least in Daly City, took a long march to the rear Monday night when, in spite of appeals from homeowners, local citizens, members of the chamber of commerce, and many others, the city council refused to hold off and reconsider their ill-advised city sales tax for at least 30 days.

That was all these citizens asked for—just a reconsideration of the "quickie" ordinance for just 30 days.

Three members of the city council feel that the citizen majority are complete "nincompoops" when it comes to taxation matters and that to compromise the issue with a 30-day study might be a threat to their "regal" authority.

However, we can see no dire need for any additional taxes at this time, nor can we swallow the old cliche that a sales tax will reduce the real property tax.

It is not so—no new tax has ever reduced an existing one; it only means more expenditure of public funds for fol-de-rol and "brass" at the expense of John Q. Public.

Bocci Extends Duty; Hupf Eyes Muni Post

Muni Judge Thomas L. Bocci Jr. will complete his duties on the bench in South San Francisco next Monday, instead of resigning this week as he had announced previously.

Bocci issued a second statement today saying, "I am delaying my intended resignation for another week since I have not been able to dispose completely of my court work. However, I definitely will not run for re-election to this office."

The Colma resident, 35, a veteran of eight years as a jurist, has enlisted much support as a candidate for district attorney. He said he will make a decision on whether he will run by February 24.

At least six candidates—four from Daly City—have been mentioned for Bocci's job, an appointment left in the lap of Gov. Goodwin Knight. Bocci's replacement faces re-election this June.

Figured near the top of the list for the muni court post is City Attorney Paul Hupf, of Westlake, considered one of the county's more promising young barristers. Hupf last fall resigned from the city council when then city attorney Frank Blum was appointed to a superior court judgeship.

Others interested in Bocci's post include: Charles Becker, DC and SSF attorney; Bernard Etcheverry, 35, member of the DC planning commission and Hupf's law associate; Walter McElroy, 34, a Republican central committeeman from '52 to '56; Conrad Reisch, 32, South

Voice Of The People?

'Extra' Penny Levy Effective In March

Refusing to consider a 30-day delay and "the right of the people to decide," three members of the city council stuck to their guns Monday night despite over-flow crowd protests and authorized a one-cent sales tax for Daly City. It goes into effect March 14.

The move, wrangled for three hours with Councilmen Micheal DeBernardi and Sanford Vickers leading the attack against the council majority, made Daly City the fourth county municipality to adopt the special levy.

Menlo Park, San Carlos and Belmont already have the tax. Redwood City considered it, but dropped it due to bitter public reaction.

Three Ordinances

The three "blanket" tax ordinances passed by the council included one providing for distribution of five per cent of the city's annual sales tax revenue to the county if the latter adopts a county-wide tax. This is consistent with the Bradley Burns Act, which allows the state board of equalization to collect for the county a one per cent sales tax from cities for county use, in addition to the three per cent currently collected for state tax.

The city sales tax will involve no payment to the county. Collections will be local, City Manager Howard Stites said hiring of "only one person" will be necessary to help with the collections.

Pro-tax pushers Mayor Joseph Verducci, Councilmen Francis Pacelli and Del Wilson firmly rejected pleas for a postponement on the decision and putting the tax to a vote, vociferously urged by 16 of the 21 speakers from the audience who represented a cross section of community thinking.

Floor Speakers

Leading the floor attack against the council majority were Vince Murphy and U. R. Kendree, Chamber of Commerce; James Himmel, chairman of COST (Committee Opposed To Sales Tax); council candidates Edward Denis, Joseph Lewkowitz, Edward Murphy and Gerald Colvin; ex-mayor Paul Green; Albert Brawley, president of the North End Demo Club; former city engineer Julius Castelan, tavern owner George Kirchhubel, plus

Anti-Tax Unit Sets 2nd Meet

Expressing themselves unanimously against a City sales tax, approximately 50 members of the Taxpayers' Protective association met last week at 95 South Mayfair avenue. City Council candidates who appeared before the group included incumbent councilmen Micheal De Bernardi and Del Wilson. Another candidate, John Drye, also appeared. Both Drye and De Bernardi were outspoken foes of the tax measure, with Wilson the only person in the audience who spoke in favor of Sales Tax.

Members pointed out that their water bills had already been raised three dollars per year, and their garbage charges were costing them six dollars and sixty cents per year additional, as a result of actions by the present city council. These added revenues correspond to an increase of 25 cents per $100 of assessed valuation, based on present city tax rolls.

Some of the Westlake members also complained that their city taxes had been increased by from 42 to 50 per cent in the last year, and that a fur-

39 New Homes Swell January Building Total

Construction amounting to $418,659 valuation was launched in Daly City last month when 67 building permits were issued.

Thirty-nine new homes, valued at $320,081, comprised the bulk of the January total, according to the public works department.

Additional January permits: One apartment building, $35,000; 18 dwelling alterations, $25,210; Daly City theater demolition, $22,500; one commercial building, $12,000; five signs, $2750; one retaining wall, $600, and one home damaged by fire, $500.

Seventy permits were granted in December for $402,158 in new construction. Forty-nine homes valued at $307,946 were included.

Protest Weibel Firing?

Despite grumblings at last week's board meeting from members of the audience, the decision of Jefferson Elementary district trustees to dismiss Supt. H. Z. Weibel has not officially taken the form of a protest move.

Various meetings of citizens disturbed by the "firing" have been rumored. However, none have come forth as a group to indicate their intentions.

Last week's somewhat stormy meeting, marked by the absence of trustee Michael Callan, found the board announcing an April 18 deadline for candidates to file for the May 10 trustee election.

Terms of chairman Hartley Appleton and Mrs. Doris Wimberly expire this June.

VISTA MAR elementary school in Westlake is scheduled to be ready this Friday, according to the contract given by the school district to Bates & Hyndman building company. But this photo, taken last week, of one unit at the $481,000 school, shows the extent of progress. The contractor says he can't deliver until about May 1 due to rain, strikes and shortage of materials. Trustees feel that transferring students off double session (before June) would involve much confusion. The contractor has yet to ask the angry school board for an extension of time.

HIGH SCHOOL DECISION

Trustees Mull Jeff 'Modernization'

Trustees Monday night asked Architect Mario Ciampi to prepare a lump-sum cost estimate for the complete modernization of Jefferson high school—a project they hope to authorize when the district goes on state aid.

After recent conference with state school officials, Supt. Ed Morgan and the board feel that renovation instead of demolition of defective parts of the ancient plant is the most economical answer.

Ciampi this week reported that it would cost $450,359 to bring Jefferson up to state structural safety standards as outlined in the fire marshal's report on Jefferson last year. To this figure, the board wants him to add the costs of modernizing the entire plant, which would include adding more classrooms in the main building where bringing the structure up to par alone amounts to $350,000.

Of Jeff's total 146,000 square footage, 48,000 square feet in the main building auditorium and 8000 square feet in the auto shop building are defective. The rest of the plant meets requirements of the state earthquake act.

Morgan said the proposed classroom additions in the modernization move would add two classrooms to the three now in use under the auditorium, convert the lower floor of the auditorium into a library, use the current library for additional commercial classrooms, and would extend the balcony section of the auditorium.

In the main building alone, Morgan said, the new classrooms would increase the number of students on the lower floor from 168 to 356.

Morgan and Ciampi will meet again next week here with state school planning and finance officials to discuss the renovation of Jeff and on and off site development at Westmoor.

Trustees are seeking state approval on use of district funds for purchase of land for the district's fourth high school in Linda Mar. Property prices are going up, and Morgan feels buying the Linda Mar land as soon as possible will not only save the district money but speed the school. Engineering surveys and arpaisals of the Piccardo-Higgins property in Linda Mar will be authorized immediately after the board gets an okay on funds for the site.

the town's varied interests, including the Colma planning commission.

Mrs. Vallerga will be on the April 8 Colma municipal ballot, together with two of the town council's incumbents who are running for re-election for four-year terms. They are Ray Ottoboni, florist, and Andrew Rovengo, an employee of Woodlawn Memorial park. Only two are to be elected.

Others on the ballot are Mrs. Blanche Lagomarsino, who is seeking a four-year term as Colma city clerk, and Gilbert H. Parker, who is a candidate to succeed himself as city treasurer.

Mrs. Lagomarsino was appointed interim city clerk a year ago upon the accidental death of the late Edward Weisenburger, who had been clerk since the inception of Colma's incorporation. Neither Mrs. Lagomarsino nor Parker are opposed for their offices.

tear up the tracks. This course was taken because the SF Public Utilities Commission two years ago said it wasn't responsible for removing the old Market Street railway rails in Daly City, and because, as Vickers noted, "Mission is a state highway, so let them handle it."

City Attorney Paul Hupf was directed to seek out officials of the old railway for possible liability action.

Meanwhile, Howard Stites, city manager, said he would get estimates on costs of beautifying the center strip with shrubbery.

DC APARTMENT FIRE DAMAGE ABOUT $15,000

A fire apparently caused by burning rubbish on the lower level evicted residents of a three-story Mission street apartment house early Sunday morning. Damage was estimated at $15,000 but only casualties were three parakeets who suffocated.

Officer Jerry Galindo and Sgt. Bruno Conci were first on the scene, 6574 Mission, at 12:50 a.m., followed promptly by firemen from three units and volunteers. It took them 25 minutes to extinguish the blaze.

Several passersby were assisting occupants from the four apartments when Galindo arrived, he said. None could offer an explanation on how the fire started.

Fire Chief Elmer Kennedy today said his department was continuing their investigation.

other city-conscious spokesmen, including a housewife.

The standing-room-only audience, greeting the anti-tax speakers and DeBernardi and Vickers with heavy applause, expressed agitation at the comments of two residents and the mayor of San Carlos, Joseph Williams, who collectively praised the council majority for their "fortitude and civic mindedness in approving the tax."

Mrs. Grace Woods, housewife of 118 Wilshire, and Robert H. Cohn, 81 Belmont drive also praised the council for enacting the tax.

DeBernardi and Vickers continued to challenge the wording, "guarantees" and collection system involved in the council's resolution of policy on distribution of sales tax funds (expected to be about $250,000 a year.)

Motion Fails

Vickers' motion for reconsideration of the issue, seconded by DeBernardi, was voted down, 3-2.

Wilson followed with a resolution to delete from the sales tax resolution the "fullest extent possible" clause, on the share of the sales tax revenue which would go to reduce property taxes. The amended policy, which passed over the dissent of Vickers and DeBernardi, reads that 50 per cent of the tax revenue would go to capital outlay (irrevocably set by city ordinance) and the "balance toward reducing the ad valorem tax."

Mayor Verducci, in a written statement for the council, denied that the sales tax move was a "surprise" issue.

"We've been considering this a long time. This is no new issue. In fact, I've made no bones about being for the tax. I feel it is inevitable here and at the county level. But last week's move was no 'quickie' action. We just happened to have the third vote necessary to carry.

Verducci nixed DeBernardi's statement that "there is no dire need now for funds, and we want to know what our needs are, then lay it out before the people, in the form of a bond issue."

"There's no ceiling to sales tax," remarked Vickers. "Labor has long been opposed to it. Taxes should be based primarily on ability to pay and the need."

$20,000 In Prizes Offered

CONTEST HAS MANY AWARDS

Electric appliances worth $20,000 will be given away in a February 3-March 10 contest throughout Northern and Central California, the Northern California Electrical Bureau has announced.

A grand-prize winner of $1,000 in electrical merchandise of his choice, plus 150 other winners of electrical prizes, will be determined by a drawing following the contest dates, the Bureau said.

Entry blanks are enclosed with current PG&E bills, and are also available from local appliance dealers. Filled-out blanks may be deposited up to midnight, March 10, with any of the large number of Northern and Central California appliance dealers cooperating in the contest.

Appliance Care Will Pay Dividends

Your appliances will repay good care by performing well and lasting longer.

Read the directions that come with the appliance carefully, and follow them carefully. Keep your appliance in good condition all the time—don't allow it to run downhill gradually.

Here are a few tips on day-to-day care:

Electric ranges are most easily cleaned after each meal or as spills occur during cooking. But in cleaning hot enameled surfaces use a paper towel or dry cloth—a damp cloth might crack or "craze" the enamel. Don't ignore cleaning the drip trays. Dried food on electric surface units should be burned off. Never immerse electric units in water.

Wash refrigerators regularly, inside and out. Mild soap and water clean the outside; a mixture of baking soda and cold water is recommended for interiors, including walls, shelves, ice trays and freezing unit.

Rinse automatic washers thoroughly after each use, and allow them to dry and air out. Lint traps should be kept scrupulously clean.

Heating elements of toasters never need cleaning. Never shake or bang the toaster; this tends to loosen the heating element. Clean the crumb tray after each use.

Rinse coffeemakers thoroughly with hot, clean water after each use. Never immerse the electric coffeemaker in water, and avoid getting water on the electric element in base.

California produced more salt than gold in 1956; their respective production value was $7,606,000 and $6,784,000.

HOUSEPOWER IS OFTEN NEGLECTED

One of the most important features in a new home is often overlooked—because it's out of sight.

This feature is "housepower," a home's electrical capacity.

Home owners today use twice as much electricity as they did 10 years ago, and experts believe consumption may more than double in the next 10 years. This is indicated by surveys, the growing rate of appliance-buying, and by the many new appliances now on the drafting boards which will be available by the

In spite of this many new homes have barely enough wiring to carry today's appliance load.

When housepower is low, fuses blow frequently.

The remedy is simple—call in your electrical contractor. Have him check your housepower.

ther tax increased was in prospect next year as a result of reappraisal of Westlake land values.

Spokesmen declared that the city council presently had a surplus of approximately $200,000, which has been set aside for capital improvements, and that this surplus was proof that present taxes yielded funds in excess of required expenditures, so that additional tax revenues were obviously unnecessary.

They also declared that if the present, high-salaried, top-heavy city administrative staff were trimmed, actual tax savings should be the result.

The group went on record as stating that capital projects, such as a new city hall, library, etc., should be put to a vote of the people, who traditionally have the right not only to decide what kind of improvements they need, but also the method of financing any such improvements.

"If the council has $200,000 in surplus, why don't they build a library in Westlake now," stated Robert Bridges. "Instead, these funds are being frozen, and a bigger tax bite is contemplated by the City Council."

Declaring the present council unresponsive to the will of the people, the group decided to investigate the possibility of a referendum petition against a sales tax ordinance, and indicated they were prepared to select three council candidates who were in agreement with the group's policies and make a concerted effort to elect those candidates at the April 8 election.

Reader 'Blames' Three Trustees In Weibel Case

Dear Editor:

The "humility" that has been subjected upon Superintendent Weibel by the "surprise action" of three trustees of the elementary school district, puts many of us to shame.

A man who took over the reins of this district when things were in a fine mess and who has worked hard and diligently to overcome the many shortcomings he found when he came here—to be tossed out of his position as superintendent when his good works have finally begun to show results and many of the problems having been overcome to where we are getting back to normal schooling for our children—such action by the trustees is uncalled for.

A leader in any organization is only as good as those chosen to give him aid and support, and if these three trustees find fault with the administration of the school district, they certainly should not take any bows—and yet, they cast the first stone.

Before drastically taking such unfair action, they should have been taught a lesson from the South San Francisco mess and squabbles; or maybe they have become press hungry, and to get their names in print, they have brought our school district into the lime-light, and I might add, a smudgy one.

Sincerely,
ROY ARNESON

MASS MEETING SET IN SF TO FIGHT FREEWAY

The Property Owners Association of San Francisco, spearhead of the fight against the proposed route of the Western Freeway, will hold a public mass meeting in the auditorium of the Herbert Hoover Junior High school, 14th avenue and Santiago street, at 8 p.m. Monday, February 17.

The meeting will discuss recent deveiopments about the Western Freeway, chiefly the report of Wilbur Smith and Associates.

Chris McKeon, chairman of the association, announced that some public officials will be invited to tell the people directly about the city's position in the matter. "We are very much concerned" McKeon said, "about published reports indicating that there would be a long delay in the Western Freeway, promptly followed by Public Works Director Duckel's insistence that the Western Freeway would go ahead on schedule.

"The destruction of homes on Portola drive has brought hundreds more people into our association, and we intend to prevent similar destruction in the West Portal, Parkside, and the Sunset areas."

COUNTY OPENS ANNUAL 'HEART MONTH' DRIVE

Dear Mr. Bradshaw:

February is Heart Month.

Heart disease is the nation's number one killer. Through continuous research, and through public education on care of the heart, the San Mateo County Heart Association, together with the heart associations of America, is maintaining a full-scale offensive against this "Public Enemy No. 1."

The activities of the association, carried out by public spirited citizens of San Mateo county, are far too many to enumerate here.

During the month of February, we plan to supply you with articles of educational value to your readers on functions and care of the heart.

Since "San Mateo Heart" is affiliated with United Crusade, we will not conduct a "Heart Sunday" fund drive here. Our entire aim is to help the public help their hearts.

Thank you for your cooperation, now and in the past, for telling "the heart story" to your readers.

Sincerely,
JOHN S. BLUM
Executive Director

Stonestown Tri-Y Car Wash 'Success'

Dear Editor:

The Stonestown Silvertone Tri-Y group wish to thank the editors of the Daly City Record and Westlake Times, the Westlake Richfield Service Station, the Yellow Cab Co. of Daly City, and the several merchants of Daly City and Westlake who co-operated so whole heartedly to make our "Car-Wash" a huge success.

We girls had a lot of fun, and never a dull moment. We ended up with tired muscles, but best of all with sufficient money in our treasury to continue the charitable work to which we are dedicated.

Very truly yours,
Jacqueline Blank,
Secretary, Silvertone Tri-Y

Deadline for hopefuls to file nomination papers is this Thursday noon at Pacifica city hall. Unregistered voters have until 5 p.m. the same day.

At press time, incumbent Harold Feyge, Mrs. Henrietta Whitney, wife of the Pedro Valley postmaster; and B. D. Hembree had filed. Ready to again toss their hats into the race also are incumbents Don Miller and Gerry Schumacher, and Floyd E. Cox, Charles Bublak, Walter Campbell and Philip San Filippo.

CSAA To Open W'lake Branch Office Monday

The Westlake district office of the California State Automobile Association in Daly City will open its new and larger quarters at 219 Southgate avenue next Monday. The new location is two doors west of the post office in the southwest area of Westlake shopping center.

Porter S. Sesnon, CSAA director from San Mateo county and a past president of the AAA motorists' organization, will conduct brief opening ceremonies at 9 a.m. In attendance will be: Joseph J. Verducci, mayor, and Sanford Vickers, vice-mayor; Vincent Murphy, president, and Peter J. Markovich, managing director Daly City Chamber of Commerce; U. R. Kendree, managing director, Westlake shopping center; B. Ponceta and John Doelger, vice-presidents, Henry Doelger Builder, Inc.

The one-story building is a newly-constructed frame structure and is fully equipped as a modern service center for motorists. The floor space is 2880 square feet which will relieve the cramped conditions now existing in the present office at 20 Park Plaza. Off-street parking facilities will be available for members who visit the new office on business.

CSSA membership in the district is one of the fastest growing in the motorists' organization. The first Westlake office was opened as a branch in 1952 and was made a full-fledged district office in July 1956.

HIGHWAY PATROL URGES DRIVERS TO HEED SIGNS

"Heed traffic signs and signals if you want to avoid traffic troubles, warns the California Highway Patrol.

"Traffic signs and signals are definite aids to safe driving if they are obeyed," stated Patrol Commissioner B. R. Caldwell. "Drivers who habitually 'fudge' a little by slipping through a stop sign controlled intersection, jump traffic lights, keep the speed well above the posted limit in controlled areas and otherwise disregard traffic signs are frequently involved in traffic incidents and accidents.

"Traffic signs are the result of studies showing a need for some type of control or direction to avoid congestion or potential accident situations," Caldwell said. "The Patrol enforces the regulations regarding these signs and signals as a cooperative action to insure the effectiveness of these devices.

"Drivers and pedestrians are urged to be alert for traffic signs and signals and prepared to obey them," he continued. "Proper respect for these safety aids will help keep traffic moving freely and with less possibility of accident."

Movies On Russia To Highlight Demo Meet In Westlake

Color films will be shown at Westlake school on Wednesday, February 19, by Dr. Henry Mayer of Redwood City at a joint meeting of 25th Assembly District Democratic Clubs.

Dr. Mayer took these films in 1956 during a 22-day stay in Russia, which included 10 days in Moscow. The remaining time was spent in Odessa, Yalta, Rostov, and Stalingrad. The Mayer family traveled a total of 3000 miles by plane, train, ship and car inside Russia, interviewing people in factories, schools, hospitals, collective farms, scientific institutes, and universities, and getting a cross section picture of Russia today.

The films have been shown to church groups, Rotary clubs, and on KQED.

Separate business meetings of the Democratic clubs participating will precede showing of the films and will begin promptly at 8 p.m. Clubs attending will be the Coastside Forum, the South San Francisco Democratic Club, the Teen Dems Club of Pacifica, and the host club, the North End Club of Daly City. The program will begin at 8:30, and the general public is invited.

Fisher, librarian; and Mrs. Helen Delafield, school nurse. Miss Elizabeth Kennedy, principal of Westlake school; Miss Marjorie Tobias, principal of Olympia; Miss Eleanor Zenovich principal of Colma K-6; and Mrs. Foriest Cunningham, director of organization for 17th District PTA were also guests. Smith, president of James L. Snell PTA, with a member of her board; Mrs. Wallace Clark, president of Woodrow Wilson PTA.

The Founders Day program was planned under the chairmanship of Mrs. Jack Hurt, who pinned corsages on her guests. The evening began with the pledge of allegiance led by Mrs. Armand Carrara, followed by invocation with Rev. Milam of the First Baptist Church of Westlake.

During a short business session, Mrs. Bobby Cohn presiding, Mrs. William Pengra, ways and means chairman, was complimented on the successful hot dog sales and Mrs. Wilson Schutte was congratulated for her handling of the "Pinnocchio" ticket sales. Mrs. Don McFeeters, nominating committee chairman, announced she is still receiving names for candidates for next year's PTA offices.

Charles Becker, past Honorary Life Member of the PTA and this year's committee chairman for the selection of new Life Members, was introduced by Mrs. Cohn and greeted with the singing of "Happy Birthday" in honor of his own birthday that day. Becker named Mrs. James A. Moses and Mrs. Bobby Cohn to receive Honorary Life Memberships in recognition of their work in the community as well as in PTA.

Mrs. Moses, this year's chairman of room representatives, has served as ways and means chairman in the past and has been active in many other capacities for the eight years she has lived in Westlake. She has assisted in community fund drives, served as Cub den mother, helped with schoolroom decorations, and been "available" whenever needed.

Mrs. Cohn, president of Westlake-Olympia PTA, last year received the state Gold Seal award for her work in sales of the PTA national publication and has been active in community projects including B'nai B'rith, Temple Judea Sisterhood, and the Salvation Army.

Following the Honorary Life Membership presentation, Francis Beukers led community singing, Mrs. Howard Dunbar then spoke briefly of the significance of Founders Day and the PTA symbol, the oak tree, indicating strength with the cooperation of the national, district, and local organizations represented by the roots, trunk, and branches of the oak tree.

Mrs. Ada R. Beveridge of College of San Mateo amused all with her monologues on children and family life. She assumed each character graphically in skits including "Discipline — or How To Protect Yourself" and an excerpt from "The Fourposter." Her characterizations were so true-to-life and so well received that she has been requested to appear for the PTA parent-education session at a time to be announced.

Something For Everyone

By The Staff Of The Daly City Public Library

Recently, I awoke early in the morning; the rain was falling on my roof like iron hail. The noise it made penetrated my brain like the sound of tom-toms and my spirits sank to low, low depths. But only for a few drowsy minutes until I realized that such rain is normal during February, and one must learn to live with it.

Actually the month of February does not have many admirers. Most of us feel as William Cullen Bryant when he wrote:

"Pale is the February sky,
And brief the mid-days sunny hours;
The wind-swept forest seems to sigh
For the sweet time of leaves and flowers."

There's one sure way to make February a gayer month. That way is to meet a few friends, those book friends—that is, who continually make life richer for all Americans. For example, there are the Almanacs. If you take the time to look, you will find in them pages and pages of useful information. Suppose you are going to have some people in for dinner and want a meal that will be different yet tasty. Go to "Information Please." There you will find menus that will make your mouth water, and the recipe for each dish. In 1955, this section contained menus and recipes from famous cafes; in 1956, it had those served on deluxe ocean liners; in 1957, many from the famous Waldorf-Astoria, and in 1958, several created for world famous celebrities. Imagine serving a meal that would please a White House guest! You can do it with the help of "Information Please."

Or suppose you're a student and your teacher asks you to write a paper on the British, French and Israeli invasion of Egypt. Look in your World Almanac for 1957. There you will find an excellent discussion that is not too long and yet is interesting reading.

Suppose you're a man interested in atomic energy projects. Go to the Almanacs. Nearly every one of them will give a list of projects along with the facts about each one.

And, there are picture books that make the rainy days of February melt away. In the Daly City Public Library, we keep those that are published for adults in a separate section. One of them is a complete baby book for fathers and mothers, another deals with successful entertaining at home. Still another shows the most famous cartoons of the twentieth century. Yet another is a profile of America, another tells the story of American science and invention. One whole set which is issued monthly like a periodical, illustrates history, thus enriching a subject that is dull to many students.

All of these books and many more are in both the Daly City Public Libary and the Westlake-Broadmoor branch library. All may be taken home; and all are guaranteed to make Febuary or any other month more interesting.

Dad In Beating Case Must Face Superior Court

Judge Thomas Bocci Monday in muni court ordered Joseph Bedard held to answer in superior court on a charge of feloniously beating his 10-year-old stepdaughter, Susan, a student at Pedro Valley school.

Free on $2000 bail, the 34-year-old sheet metal worker will be arraigned February 24.

Monday's preliminary hearing ended quickly when Susan's half-sister, Pamela, 7, admitted to Bocci that her mother, 26, had "coached' her into saying that she (Mrs. Bedard) had administered the vicious whippings. Pamela testified that Susan was beaten only by her father.

Badly bruised, Susan touched off the sensational story last week when she wrote a letter to Mrs. Thelma Sherwood, secretary at Pedro Valley school, asking that the woman take her home because she was being continually whipped by her stepfather.

Ordinance No. 464

An Ordinance of the City of Daly City imposing an Excise Tax on the storage, use or other consumption of tangible personal property.

The City Council of the City of Daly City does ordain as follows:

Section 1. DEFINITIONS. The following words and phrases, whenever used in this ordinance, shall be construed as defined in this section unless it appears from the context that a different meaning is intended.

A. "Sales price" means that total amount for which tangible personal property is sold, valued in money, whether paid in money or otherwise, without any deduction on account of any of the following:

(1) The cost of the property sold;

(2) The cost of materials used, labor or service costs, interest charged, losses, or any other expenses;

(3) The cost of transportation of the property prior to its purchase.

The total amount for which the property is sold includes all of the following:

(1) Any services that are a part of the sale;

(2) Any amount for which credit is given to the purchaser by the seller.

"Sales price" does not include any of the following:

(1) Cash discounts allowed and taken on sales;

(2) The amount charged for property returned by customers when that entire amount is refunded either in cash or credit, but this exclusion shall not apply in any instance when the customer, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned.

(3) The amount charged for labor or services rendered in installing or applying the property sold.

(4) The amount of any federal tax imposed upon or with respect to retail sales whether imposed upon the retailer or upon the consumer and regardless of whether or not the amount of federal tax is stated to customers as a separate charge, and the amount of any California State sales or use tax. (The term "gross receipts" includes the amount of any manufacturer's or importer's excise tax included in the price of the property sold, even though the manufacturer or importer is also the retailer thereof, and whether or not the amount of such tax is stated as a separate charge.)

(5) Transportation charges separately stated, if the transportation occurs after the purchase of the property is made.

B. "Use" includes the exercise of any right or power over tangible personal property incident to the ownership of that property; subject, however, to the following exceptions:

(1) It does not include the sale of that property in the regular course of business.

(2) It does not include the storage, use or other consumption of tangible personal property, the gross receipts from the sale of or the cost of which has been subject to sales or use tax under a sales or use tax ordinance, whether enacted in accordance with, or purporting to be in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code of the State of California by any other city and county, county other than San Mateo County, or city in this state, or enacted in accordance with the organic law of any such city.

(3) It does not include the storage or use of tangible personal property in the transportation or transmission of persons, property or communications, or in the generation, transmission or distribution of electricity or in the manufacture, transmission or distribution of gas in intrastate, interstate or foreign commerce by public utilities which are regulated by the Public Utilities Commission of the State of California.

(4) It does not include the use or consumption of property purchased by operators of common carrier and waterborne vessels to be used or consumed in the operation of such common carriers or waterborne vessels principally outside the City.

C. The word "storage", as used in this article, includes any keeping or retention in the City for any purpose except sale in the regular course of business or subsequent use solely outside this City of tangible personal property purchased from a retailer.

Section 2. IMPOSITION AND RATE OF TAX. An excise tax is hereby imposed on the storage, use or other consumption in the City of Daly City of tangible personal property purchased from any retailer on or after the effective date of this ordinance for storage, use or other consumption in said City at the rate of one per cent (1%) of the sales price of the property.

Notwithstanding the foregoing provisions of this section, where the sales price of tangible personal property purchased for storage, use or other consumption in the City of Daly City, pursuant to a contract of sale actually executed in good faith prior to April 1, 1958, includes Daly City sales or use tax, the rate of tax applied shall be the rate in effect when the contract is executed.

Section 3. USE TAX LEVIED IN SAME MANNER AS STATE TAX. The tax hereby levied, except as otherwise herein provided, is levied in the same manner, to the same extent and under the same conditions as use taxes are levied pursuant to Part 1 of Division 2 of California Revenue and Taxation Code, known as the "Sales and Use Tax Law" as amended and in force and effect on April 1, 1958.

Section 4. ADOPTION OF STATE USE TAX LAW BY REFERENCE. EXCEPTIONS:

A. All of the provisions of the "Sales and Use Tax Law" as amended and in force and effect on April 1, 1958, except the provisions pertaining solely to the "Sales Tax" and Sections 6008, 6009, 6011, 6201 to 6204, inclusive; 6207, 6226, 6241 to 6246 inclusive; 6355, 6403, 6453, 7052, 7057, 7101, 7102, 7151, 7152, and 7153, are hereby adopted and made a part of this ordinance as though fully set forth herein, and all provisions of any other ordinance in conflict therewith are inapplicable to this ordinance and the tax hereby imposed.

B. The term "sale price" shall not include the amount of any California State sales tax or use tax.

C. All of the provisions of the "Sales and Use Tax Law" hereby adopted providing for the adoption of rules and regulations and for hearing on the part of the State Board of Equalization shall be performed by the City Council of the City of Daly City. All other provisions of the State "Sales and Use Tax Law" hereby adopted providing for the performance of official action on the part of the State Board of Equalization shall be performed by the City Clerk.

D. The City of Daly City shall be deemed substituted for the State of California whenever the State is referred to in said "Sales and Use Tax Law."

E. The City Attorney of Daly City shall be deemed substituted for the Attorney General whenever the Attorney General is referred to in said "Sales and Use Tax Law."

F. The Director of Finance shall be deemed substituted for the State Controller and State Board of Control whenever the State Controller or State Board of Control are referred to in said "Sales and Use Tax Law."

G. The County of San Mateo shall be deemed substituted for the County of Sacramento whenever the County of Sacramento is referred to in said "Sales and Use Tax Law."

Section 5. ADOPTION OF RULES AND REGULATIONS BY REFERENCE. The rules and regulations of the State Board of Equalization pertaining to the interpretation, administration and enforcement of the "Sales and Use Tax Law", insofar as applicable, shall apply to the interpretation of this ordinance until specifically abandoned by the rules and regulations adopted by the City Council pursuant to this ordinance.

Section 6. INTERPRETATION. The inclusion of any clause, portion or part of the "Sales and Use Tax Law," Part 1, Division 2, of the Revenue and Taxation Code of the State of California, verbatim in this ordinance shall not in or of itself be deemed to exclude any of the remaining provisions of said "Sales and Use Tax Law", that are made a part hereof by reference only.

Section 7. DUTY TO COLLECT TAX. Every retailer maintaining a place of business in this City shall apply to the Finance Director for authorization to collect the tax imposed by this ordinance. Any retailer not maintaining a place of business in this City may apply to the Finance Director for authorization to collect the tax hereby imposed. Upon receipt of any application in such form as required by him, the Finance Director, in the case of a retailer maintaining a place of business in the City, may authorize the applicant to make such collections and to forward the same to the Finance Director.

Section 8. PERSONS LIABLE TO TAX. Every person storing, using, or otherwise consuming in this City tangible personal property purchased from a retailer, is liable for the tax; provided, however, no tax shall be due hereunder if the tax imposed by Ordinance No. 463 (sales tax) of the City of Daly City has been paid on the sale of such property. The liability of such a person is not extinguished until the tax has been paid to the City of Daly City except that a receipt from a retailer authorized pursuant to Section 7 hereof to collect the tax, given to the purchaser pursuant to Section 9 hereof, is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

Section 9. COLLECTION OF TAX BY RETAILER. Every retailer who is authorized by the Finance Director to collect the tax imposed by this ordinance and who makes sales of tangible personal property for storage, use or other consumption in this City, not exempted under the provisions of this ordinance, shall collect the tax from the purchaser at the time of making the sale, or, if the storage, use or other consumption becomes taxable. Upon collecting the tax, the retailer, on demand, shall give to the purchaser a receipt therefor in the manner and form prescribed by the Finance Director. The tax so collected by the retailer shall be held in trust by him for the City and shall be paid to the City by the retailer in the manner and at the times elsewhere provided in this ordinance.

Section 10. SEPARATE DISPLAY OF TAX FROM LIST OR OTHER PRICE. The tax so collected by the retailer from the purchaser shall be displayed separately from the list price, the price advertised in the premises, the marked price or other price on the sales check or other proof of sale.

Section 11. PERSONAL PROPERTY TO WHICH TAX APPLIES. Except as otherwise specifically exempted, the tax hereby imposed applies to all tangible personal property located in this City and purchased from a retailer; provided, however, that if the retailer in good faith takes from the purchaser a certificate that the property was purchased prior to the effective date of this ordinance or was not purchased for storage, use or consumption in this City and has not been nor will be so stored, used or consumed, he shall be relieved of liability to collect and pay the tax. The certificate shall be signed by and bear the name of the purchaser and the place where such tangible personal property will be stored, used or consumed, the date of purchase, and shall be substantially in such form as the Director of Finance may prescribe.

Section 12. REGISTRATION OF RETAILERS. Every retailer selling tangible personal property for storage, use or other consumption in the City of Daly City and which retailer maintains a place of business in said City or acts through agents located in said City and which retailer is not licensed under the provisions of Ordinance No. 463, (sales tax) shall register with the City Clerk and give the name and address of such agent or agents and office or other place of business in the city.

Section 13. DUE DATE OF TAXES. Taxes imposed by this ordinance are due and payable to the City of Daly City on or before the last day of the month next succeeding each quarterly period, the first quarterly payment to be due and payable under this ordinance on or before the last day of July 31, 1958. The City of Daly City may require returns and payment of the amount of taxes for quarterly periods other than calendar quarters depending upon the principal place of or the nature of the business of the seller or retailer or may require returns and payment of the amount of taxes for other than quarterly periods.

Section 14. RETURNS. Each return filed by a retailer shall show the total sale price of the property sold by him during the report period in respect of which he collected the tax hereby imposed. Each return filed by a purchaser shall show the total sale price of the property purchased by him during the reporting period, in respect of which a tax is due under this ordinance. All returns shall also show the amount of the taxes for the period covered by the return and such other information as the City Clerk deems necessary to the proper administration of this ordinance.

Section 15. EXTENSION OF TIME, WAIVER OR COMPROMISE. The Finance Director shall have the power, for good cause shown, to extend for a period of not to exceed thirty-one (31) days the time for making any return or paying any amount required to be paid under this ordinance, when requested so to do in writing, before the same becomes delinquent. The Finance Director may, with the written approval of the City Manager, waive or compromise any penalty or interest that would otherwise accrue under the provisions of this ordinance. The Finance Director shall make and transmit to the City Council quarterly a detailed report of any sums so waived or compromised with the reason therefor.

Section 16. SCHEDULES FOR PAYMENT OF TAX. The City Council, by resolution, shall adopt rules prescribing methods and schedules for the collection and payment of the tax. Such schedules shall be so determined as to facilitate collection of this tax at the same time that the retailer collects the tax imposed under the California Sales and Use Tax Law and so as to produce an average tax return of one per cent (1%) on all purchases subject to the use tax.

Section 17. RESALE CERTIFICATE. The Finance Director may at his option accept a State of California Resale Certificate as evidence that any sale is not a sale for storage, use or consumption in the City of Daly City, or he may in his discretion require an affidavit from the seller setting forth such information respecting such sale as he deems necessary to determine the nature of such sale.

Section 18. DISPOSITION OF PROCEEDS. All monies collected under and pursuant to the provisions of this ordinance shall be deposited and paid into the General Fund of the City of Daly City.

Section 19. DIVULGING OF INFORMATION FORBIDDEN. No officer or employee of the City of Daly City having an administrative duty under this ordinance shall make known in any manner whatever the business affairs, operations, or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any other particulars thereof, set forth or disclosed in any return or permit or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person. However, the City Council may, by resolution, authorize examination of the returns by federal or state officers or employees or by the tax officers of this or any other city if a reciprocal arrangement exists. Successors, receivers, trustees, executors, administrators, assignees, and guarantors, if directly interested, may be given information as to the items included in the measure and the amounts of any unpaid tax or amounts of tax required to be collected, interest and penalties.

Section 20. FALSE AND FRAUDULENT RETURNS. No person required to make, render, sign or verify any report under the provisions of this ordinance, shall make any false or fraudulent return, with intent to defeat or evade the determination of an amount due and required to be paid hereunder.

Section 21. FAILURE TO MAKE RETURN OR FURNISH DATA. No retailer or other person shall fail or refuse to furnish any return required to be made or fail or refuse to furnish a supplemental return or other data required by the City of Daly City, or render a false or fraudulent return.

Section 22. PENAL PROVISIONS. Any person violating any provision of this ordinance shall be guilty of a misdemeanor, and on conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500.00), or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

Section 23. VALIDITY. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council of the City hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions be declared invalid or unconstitutional.

Section 24. That the City Clerk of the City of Daly City shall publish this Ordinance once in The Record, a weekly newspaper, published, printed and circulated in the City of Daly City, and this Ordinance shall take effect and be in force from and after thirty (30) days after its passage and adoption.

Morgan said the work should be formulated by the teachers themselves, approved by the faculty, then presented to the boards of trustees for approval.

This Thursday's meeting will begin at 3:15 p.m. in the Jeff High School Teacher Conference Room.

ARMY COLONEL IS SUICIDE IN BROADMOOR

A 43-year-old army officer, who reportedly threatened suicide many times, fulfilled his promise late Saturday night by firing a .45 caliber bullet into his right temple as his attractive wife sat beside him on the chesterfield at his Broadmoor home.

Victim was Lt. Col. Charles W. Hurst, of 751 87th street, who was scheduled to retire in March after 20 years in uniform. The career man was medical supply officer at Leterman hospital in San Francisco.

Officer George Carleton, Broadmoor police, was summoned to the house at 10:31 p.m. by Hurst's wife, Cecilia, 30. Explaining that they had been out for a few drinks that afternoon, followed by wine for dinner, she said she and her husband had quarreled and he produced the gun as they both sat in the front room. Mrs. Hurst, according to Police Chief Ray Savage, added that she hadn't paid much attention to his suicide threat since he had made similar statements before.

The couple had been married three years and lived in Broadmoor since his transfer from Korea in 1957. The victim had been married three times previously.

The body was taken to Community hospital in San Mateo for an autopsy. Funeral services are pending.

PERSONALITY SKETCH . . . Sporting a snappy blue and white striped engineer's hat, and wearing a light grey suit and gaily colored tie, the young man stood before the group answering questions and charming the guests with all the poise of a seasoned actor. So was our introduction to Bobby Clark, veteran of many television productions (Ford Theater, Climax & E. Theater) and movies (The Ten Commandments, The Happy Road), and a successful star at the ripe "old" age of 13.

In town for a special preview of the new series, "Casey Jones" (Sun. 4:30 p.m., which premiered last week over Channel 5, Bobby, accompanied by his mother, lunched with the press at KPIX studios and enthusiastically chatted about his new program and career.

In talking to Bobby we found him to be a youngster with a sparkling personality, and all boy. Like any typical American youngster he told us that he likes to work on model airplanes, and now because of his program has started collecting model trains. His mother laughed and said "yes, he certainly had models . . . all over his room," and confessed that she is not allowed to dust his room, because she might accidently damage them.

Railroad adventures are the newest trend in television programing and should have a readymade audience because it is estimated that 15,000,000 U. S. homes have model trains. With the background of colorful and dramatic history surrounding the development of the railroads, the new series should prove to be exciting television for the entire family.

PAY-TV . . . With all the discussion pro and con for free TV or Pay-TV, we have evolved a plan which we think might interest viewers. Since it is difficult for most of us to estimate how much it would cost us if we had to pay for all the programs we watch, we have arrived at a plan. Beside our television set we have placed a box, pencil and paper. Beginning the first of the month, everytime anyone in the family watches a program, they must place a slip of paper in the box indicating 25 cents. At the end of the month we are going to add up the amount and we'll let you know the results. Why don't you try it in your family? Take any amount that you feel is a good average figure. This is certainly a way to judge for yourself how much programs that you are now getting free might cost you in a month's time.

CALLING ALL SKIN DIVERS . . . "Sea Hunt" (Sunday, 7 p.m.) is a new series over KRON-TV featuring activities of a former Navy frogman who finds adventures as a undersea investigator. The underwater sequences provide authentic and spectacular scenes of the unbelievable world beneath the waves, which should make for exciting and unusual television drama.

AUTO PRODUCTION

United States automotive factories had produced 7,179,516 units in 1957 as of December 28, reports the National Automobile Club. Of this total, 6,089,450 were passenger cars, 1,086,140 were trucks, and 3,926 were motor coaches. At the same time in 1956, the factories had produced 6,917,616 units.

Ordinance No. 465

An Ordinance of the City of Daly City, imposing a City Sales and Use Tax: Providing for the performance by the State Board of Equalization of all functions incident to the administration, operation and collection of the sales and use tax hereby imposed: Suspending the provisions of Ordinances (S) No. (s) 463 and 464 during such time as this ordinance is operative: And providing penalties for violations thereof.

The City Council of the City of Daly City does ordain as follows:

Section 1. SHORT TITLE. This ordinance shall be known as the Uniform Local Sales and Use Tax Ordinance of the City of Daly City.

Section 2. PURPOSE. The City Council of the City of Daly City hereby declares that this ordinance is adopted to achieve the following, among other, purposes and directs that the provisions hereto be interpreted in order to accomplish those purposes:

(a) To adopt a sales and use tax ordinance which complies with the requirements and limitations contained in Part 1.5 of Division 2 of the Revenue and Taxation Code of the State of California;

(b) To adopt a sales and use tax ordinance which incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.5 of Division 2 of the said Revenue and Taxation Code;

(c) To adopt a sales and use tax ordinance which imposes a ninety-five hundredths of one percent (.95%) tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practical to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes;

(d) To adopt a sales and use tax ordinance which can be administered in a manner that will, to the degree possible consistent with the provisions of Part 1.5 of Division 2 of the said Revenue and Taxation Code, minimize the cost of collecting city sales and use taxes and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance;

(e) To adopt a sales and use tax ordinance which can be administered in a manner that will exclude the receipts of particular sales from the measure of the sales tax imposed by this City which have been included in the measure of the sales tax imposed by any other city and county, county other than the county in which this city is located, or city in this State, and avoid imposing a use tax on the storage, use or other consumption of tangible personal property in this City when the gross receipts from the sale of, or the use of, that property has been subject to a sales or use tax by any other city and county, county other than the county in which this city is located, or city in this State, pursuant to a sales and use tax ordinance enacted under the provisions of Part 1.5 of Division 2 of the said Revenue and Taxation Code.

Section 3. OPERATIVE DATE. CONTRACT WITH STATE. This ordinance shall become operative on April 1, 1958, and prior thereto this City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this sales and use tax ordinance; provided, that if this City shall not have contracted with the said State Board of Equalization, as above set forth, prior to April 1, 1958, this ordinance shall not be operative until the first day of the first calendar quarter following the execution of such a contract by the City and by the State Board of Equalization, provided further that this ordinance shall not become operative prior to the operative date of the Uniform Local Sales and Use Tax Ordinance of the County of San Mateo.

Section 4. SALES TAX.

(a) (1) For the privilege of selling tangible personal property at retail a tax is hereby imposed upon all retailers in the city at the rate of ninety-five hundredths of one percent (.95%) of the gross receipts of the retailer from the sale of all tangible personal property sold at retail in the City of Daly City on and after the operative date of this ordinance.

(2) For the purpose of this ordinance, all retail sales shall be presumed to have been consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-State destination or to a common carrier for delivery to an out-of-State destination. Delivery charges shall be included in the gross receipts by which the tax is measured, regardless of the place to which delivery is made, when such charges are included in the measure of the sales or use tax imposed by the State of California. In the event a retailer has no permanent place of business in the State of California, or has more than one place of business, the place or places at which retail sales are consummated shall be as determined under the rules and regulations prescribed and adopted by the Board of Equalization.

(b) (1) Except as hereinafter provided, and except insofar as they are inconsistent with the provisions of Part 1.5 of the Division of the said Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of said Code, as amended and in force and effect on April 1, 1958, applicable to sales taxes are hereby adopted and made a part of this section as though fully set forth herein.

(2) Wherever, and to the extent that, in Part 1 of Division 2 of the said Revenue and Taxation Code of the State of California is named or referred to as the taxing agency, the City of Daly City shall be substituted therefor. Nothing in this subdivision shall be deemed to require the substitution of the name of the City of Daly City for the word "State" when that word is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, or the name of the State Treasury, or of the Constitution of the State of California; nor shall the name of the City be substituted for that of the State in any section when the result of that substitution would require action to be taken by or against the City or any agency thereof, rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this ordinance; and neither shall the substitution be deemed to have been made in those sections; including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to provide an exemption from this tax with respect to certain gross receipts which would not otherwise be exempt from this tax while those gross receipts remain subject to tax by the State under the provisions of Part 1 of Division 2 of the said Revenue and Taxation Code; nor to impose this tax with respect to certain gross receipts which would not be subject to tax by the State under the said provisions of that Code; and, in addition, the name of the City shall not be substituted for that of the State in Section 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 and 6828 of the said Revenue and Taxation Code as adopted.

(3) If a seller's permit has been issued to retailer under Section 6068 of the said Revenue and Taxation Code, an additional seller's permit shall not be required by reason of this section.

(4) There shall be excluded from the gross receipts by which the tax is measured:

(I) The amount of any sales or use tax imposed by the State of California upon a retailer or consumer.

(II) Receipts from the sale of tangible personal property upon which a sales or use tax has become due by reason of the same transaction to any other city and county, county other than the county in which this city is located, or city in this State under a sales or use tax ordinance enacted by that city and county, county other than the county in which this city is located, or city in this State in accordance with Part 1.5 of Division 2 of the said Revenue and Taxation Code.

(III) Receipts from sales to operators of common carrier and waterborne vessels of property to be used or consumed in the operation of such common carrier or waterborne vessels principally outside of this City.

Section 5. USE TAX.

(a) An excise tax is hereby imposed on the storage, use or other consumption in the City of Daly City of tangible personal property purchased from any retailer on or after the operative date of this ordinance, for storage, use or other consumption in the city at the rate of ninety-five hundredths of one percent (.95%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

(b) (1) Except as hereinafter provided, and except insofar as they are inconsistent with the provisions of Part 1.5 of Division 2 of the said Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of said Code, as amended and in force and effect on April 1, 1958, applicable to sales taxes are hereby adopted and made a part of this section as though fully set forth herein.

(2) Wherever, and to the extent that, in Part 1 of Division 2 of the said Revenue and Taxation Code of the State of California is named or referred to as the taxing agency, the City of Daly City shall be substituted therefor. Nothing in this subdivision shall be deemed to require the substitution of the name of the City of Daly City for the word "State" when that word is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, or the name of the State Treasury, or of the Constitution of the State of California; nor shall the name of the City be substituted for that of the State in any section when the result of that substitution would require action to be taken by or against the City or any agency thereof rather than by or against the State Board of Equalization, in performing the function incident to the administration or operation of this ordinance; and neither shall the substitution be deemed to have been made in those sections, including but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to provide an exemption from this tax with respect to certain storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such storage, use or other consumption remains subject to tax by the State under the provisions of Part 1 of Division 2 of the said Revenue and Taxation Code, or to impose this tax with respect to certain storage, use or other consumption or tangible personal property which would not be subject to tax by the State under the said provisions of that Code; and in addition, the name of the City shall not be substituted for that of the State in Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 and 6828 of the said Revenue and Taxation Code as adopted.

(3) There shall be exempt from the tax due under this section:

(I) The amount of any sales or use tax imposed by the State of California upon a retailer or consumer.

(II) The storage, use or other consumption of tangible personal property, the gross receipts from the sale of or the cost of which has been subject to sales or use tax under a sales or use tax ordinance enacted in accordance with Part 1.5 of Division 2 of the said Revenue and Taxation Code by any other city and county, county other than the county in which this city is located, or city in this State.

(III) The storage or use of tangible personal property in the transportation or transmission of persons, property or communications, or in the generation, transmission or distribution of electricity or in the manufacture, transmission or distribution of gas in intrastate, interstate, or foreign commerce by public utilities which are regulated by the Public Utilities Commission of the State of California.

(IV) The use or consumption of property purchased by operators of common carrier and waterborne vessels to be used or consumed in the operation of such common carriers or waterborne vessels principally outside the City.

Section 6. AMENDMENTS. All amendments of the said Revenue and Taxation Code enacted subsequent to the effective date of this ordinance which relate to the sales and use tax and which are not inconsistent with Part 1.5 of Division 2 of the said Revenue and Taxation Code shall automatically become a part of this ordinance.

Section 7. ENJOINING COLLECTION FORBIDDEN. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or this City, or against any officer of the State or this City, to prevent or enjoin the collection under this ordinance, or Part 1.5 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

Section 8. EXISTING SALES AND USE TAX ORDINANCE (S) SUSPENDED. At the time this ordinance goes into operation, the provision of Ordinances Nos. 463 and 464 shall be suspended and shall not again be of any force or effect until and unless for any reason the State Board of Equalization ceases to perform the functions incident to the administration and operation of the sales and use tax hereby imposed; provided, however, that if for any reason it is determined that the City of Daly City is without power to adopt this ordinance, or that the State Board of Equalization is without power to perform the functions incident to the administration and operation of the taxes imposed by this ordinance, the provisions of Ordinances Nos. 463 and 464 shall not be deemed to have been suspended but shall be deemed to have been in full force and effect at the rate of one percent (1%) continuously from and after April 1, 1958. Upon the ceasing of the State Board of Equalization to perform the functions incident to the administration and operation of the taxes imposed by this ordinance, the provision of Ordinances Nos. 463 and 464 shall again be in full force and effect at the rate of one percent (1%).

Section 9. DISPOSITION OF PROCEEDS. All monies collected under the pursuant to the provisions of this ordinance shall be deposited and paid into the General Fund of the City of Daly City.

Section 10. PENALTIES. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than $500.00 or by imprisonment for a period of not more than six (6) months, or by both such fine and imprisonment.

Section 11. SEVERABILITY. If any section, subsection, sentence, clause, phrase or portion of this ordinance, including but not limited to any exemption, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Daly City hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions be declared invalid or unconstitutional.

Section 12. Ordinance No. 463

An ordinance of the City of Daly City imposing a License Tax for the privilege of selling tangible personal property at retail, providing for permits to retailers, providing for the collecting and paying of such tax, and prescribing penalties for violations of the provisions hereof.

The City Council of the City of Daly City does ordain as follows:

Section 1. IMPOSITION AND RATE OF TAX. For the privilege of selling tangible personal property at retail a tax is hereby imposed upon all retailers at the rate of one per cent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in the City of Daly City on or after April 1, 1958. The tax imposed by this ordinance is in addition to any and all other taxes imposed by any other ordinance of the City of Daly City.

Section 2. TAX LEVIED IN SAME MANNER AS STATE TAX. The tax hereby levied, except as otherwise herein provided, is levied in the same manner, to the same extent and under the same conditions as sales taxes are levied pursuant to Part 1 of Division 2 of the California Revenue and Taxation Code, known as the "Sales and Use Tax Law," as amended and in force and effect on April 1, 1958.

Section 3. ADOPTION OF STATE SALES TAX LAW BY REFERENCE.

A. All of the provisions of the "Sales and Use Tax Law," as amended and in force and effect on April 1, 1958 except the provisions thereof pertaining solely to the "Use Tax" and Sections 6051, 6052, 6053, 6066, 6067, 6068, 6069, 6070, 6071, 6451, 7052, 7056, 7101, 7102, 7151, 7152, 7153, applicable to sales of property at retail, are hereby adopted and made a part of this ordinance as though fully set forth herein, and all provisions of any other ordinance in conflict therewith are inapplicable to this ordinance and the tax hereby imposed.

B. The term "gross receipts" as used herein, does not include the amount of any tax imposed by the State of California upon or with respect to retail sales whether imposed upon the retailer or upon the consumer.

C. The term "sale" shall mean and include, in addition to the meanings contained in paragraph A of this section, the withdrawal by a retailer in this City of tangible personal property from a place in this City, from a place in California outside this City under the control of the retailer, or from a place in California outside this City at the order of the retailer, for delivery in any manner at a point in California outside this City under such circumstances that the transaction of which the withdrawal is a part would have been considered a sale within the meaning of paragraph A of this section, provided however, that withdrawals pursuant to a transaction in foreign or interstate commerce shall not be sales for the purpose of this section. Charges made for the delivery of tangible personal property so withdrawn shall be included in the gross receipts by which the tax imposed under this section is measured unless such charges are separately stated and are imposed for transportation which occurs after the sale of the property to the purchaser.

D. All of the provisions of the "Sales and Use Tax Law" hereby adopted, providing for the adoption of rules and regulations and for hearings on the part of the State Board of Equalization, shall be performed by the City Council of the City of Daly City. All other provisions of the "Sale and Use Tax Law" hereby adopted, providing for the performance of official action on the part of the State Board of Equalization, shall be performed by the City Clerk of the City of Daly City.

E. The City of Daly City shall be deemed substituted for the State of California whenever the State is referred to in said "Sales and Use Tax Law."

F. The City Attorney of Daly City shall be deemed substituted for the Attorney General whenever the Attorney General is referred to in said "Sales and Use Tax Law."

G. The Director of Finance of the City of Daly City shall be deemed substituted for the State Controller whenever the State Controller or State Board of Control are referred to in said "Sales and Use Tax Law."

H. The County of San Mateo shall be deemed substituted for the County of Sacramento whenever the County of Sacramento is referred to in said "Sales and Use Tax Law."

Section 4. EXEMPTIONS. In addition to the exemptions contained in Part 1 of Division 2 of the Revenue and Taxation Code of the State of California after April 1, 1958, there shall be excluded from the computation of the tax gross receipts from:

A. The amount of any sales or use tax imposed by the State of California upon a retailer or consumer.

B. Receipts from the sale of tangible personal property upon which a sales or use tax has become due by reason of the same transaction to any other city and county, county other than San Mateo County, or city in this state under a sales or use tax ordinance enacted by that city and county, county other than San Mateo County, or city in this state, whether in accordance with, or purporting to be in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code of the State of California, or in accordance with the organic law of any such city.

C. Receipts from sales to operators of common carrier and water-borne vessels of poperty to be used or consumed in the operation of such common carriers or waterborne vessels principally outside of this City.

D. Sales made pursuant to contracts actually executed in good faith prior to the effective date of this ordinance.

Section 5. ADOPTION OF RULES AND REGULATIONS BY REFERENCE. INTERPRETATIONS. The rules and regulations of the State Board of Equalization as amended and in force and effect on April 1, 1958,pertaining to the interpretation, administration and enforcement of the "Sales and Use Tax Law," insofar as applicable, except Rule No. 55 (Section 2015, Title 18, California Administrative Code, Sales & Use Tax) shall apply in the interpretation of this ordinance until specifically abandoned by the rules and regulations adopted by the City Council of Daly City pursuant to this Ordinance. The word "City" shall be deemed substituted for the word "State" whenever the word "State" appears in said rules and regulations.

In lieu of Rule No. 55, specifically excepted above, the following interpretations shall apply in the administration of this ordinance:

A. The sales tax DOES NOT apply to sales of property which is:

(1) Imported into this City from a foreign country and sold by the importer in the original package in which imported.

(2) Sold to foreign purchasers for shipment abroad and delivered to a ship, airplane, or other conveyance furnished by the purchaser for the purpose of carrying the property abroad and actually carried to a foreign destination, title and control of the property passing to the foreign purchaser upon delivery, and no portion of the property being used or consumed in the United States. Copies of U. S. Customs Shippers' export declarations filed with the Collector of Customs must be obtained and retained by retailers to support deductions taken under this paragraph. The tax applies to the transaction if the property is diverted in transit or for any reason not actually delivered outside the City pursuant to the contract of sale or not shipped abroad for a foreign purchaser, regardless of documentary evidence held by the retailer of delivery of the property to a carrier for shipment outside the City, or to a foreign purchaser for shipment abroad.

(3) Mailed by the seller, pursuant to the contract of sale, to persons in the armed forces at points outside continental United States, notwithstanding the property is addressed in care of the Postmaster and forwarded by him to the addressee. When mail is addressed to Army Post Offices (APO's) in care of the Postmaster or to naval forces addressed in care of the Postmaster, it will be presumed that it is forwarded outside California. The seller must keep records showing the names and addresses as they appear on the mailed matter and should keep evidence that the mailing was done by him.

(4) Shipped to a point outside this City pursuant to the contract of sale when the property is marked for export and delivered by the retailer to the "contracting officer," "officer in charge," "Port quartermaster," or other officer of the United States for transportation and delivery to the purchaser at such a point.

B. The sales tax DOES NOT apply to sales of airplanes and parts and equipment for airplanes, transported to a point outside this City pursuant to the contract of sale when such property is delivered to the United States Army Corps or any other agency or instrumentality of the United States for transportation and delivery to the purchaser or someone designated by him at that point.

C. The sales tax DOES NOT apply (either in interstate or intrastate commerce) to sales of property shipped from a point outside the City of Daly City to a purchaser inside the City of Daly City, or to the retailer's agent in the City of Daly City, for delivery to the purchaser, if none of the elements of sale, other than such delivery, takes place in the City of Daly City.

D. The sales tax DOES apply (either in interstate or intrastate commerce) to sales of property shipped from a point outside of the City of Daly City to a purchaser inside the City of Daly City, or to the retailer's agent in the City of Daly City, for delivery to the purchaser where any element of the sale, in addition to such delivery, takes place in the City of Daly City.

E. "Element of Sale" is hereby defined to include solicitation of an order, the acceptance of an order, the giving of an order, whether such order is given in person, by telephone or by mail, or the payment of the purchase price.

F. The Finance Director may approve the payment of the sales tax by retailers located outside the City in accordance with a formula if he finds that the formula will produce the same or approximately the same tax as if detailed accounting procedures had been followed. A retailer desiring to use such a formula shall furnish such information as may be required by the Finance Director to enable him to make the required finding. The formula may be used by the retailer for such period of time, not to exceed one year, as may be authorized by the Finance Director in writing, and is subject to renewal, upon application, for periods not to exceed one year. Payment in full of sales taxes in accordance with an approved formula shall constitute full satisfaction of the retailer's tax liability.

Section 6. VERBATIM EXCERPTS SHALL NOT EXCLUDE BALANCE. The inclusion of any clause, portion or part of the "State Sales and Use Tax Law," Part 1, Division 2, of the Revenue and Taxation Code of the State of California, or the rules and regulations of the State Board of Equalization, verbatim in this ordinance shall not in or of itself be deemed to exclude any of the remaining provisions of said "Sales and Use Tax Law" or rules and regulations that are made a part hereof by reference only.

Section 7. APPLICATION FOR PERMIT. Every person desiring to engage in or conduct business as a seller within the City of Daly City shall file with the Finance Director an application for a permit for each place of business from which taxable sales will be made. Every application for a permit shall be made upon a form prescribed by the Finance Director, and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the Finance Director may require. The application shall be signed by the owner, if a natural person; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of his authority.

Section 8. ISSUANCE AND DISPLAY OF PERMIT. After compliance with Section 7 of this ordinance by the applicant, the Finance Director shall grant and issue to each applicant a separate permit for each place of business from which taxable sales will be made. A permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of business at the place designated therein; provided, however, a change of location may be endorsed upon the permit by the Finance Director. The permit shall at all times be conspicuously displayed at the place for which issued.

Section 9. PERMIT FEES. At the time of making an application for a permit, and at the time a change of location is endorsed upon a permit, the applicant for a permit for an endorsement of a change of location on a permit shall pay to the Finance Director a fee of One Dollar ($1.00).

Section 10. REVOCATION OF PERMIT. Whenever any person fails to comply with any of the provisions of this ordinance or any rule or regulation adopted pursuant hereto, the City Council of the City of Daly City, upon hearing, after giving the person ten days' notice in writing specifying the time and place of hearing and requiring him to show cause why his permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person. The notice may be served personally or by mail in the manner prescribed for the service of notice of a deficiency determination under the "Sales and Use Tax Law." The Finance Director shall not issue a new permit after the revocation of a permit unless the City Council of the City of Daly City is satisfied that the former holder of a permit will comply with the provisions of this ordinance and the rules and regulations adopted pursuant hereto and directs the Finance Director to issue such permit.

Section 11. RENEWAL OF PERMIT. A seller whose permit has been previously suspended or revoked shall pay the Finance Director a fee of One Dollar ($1.00) for the renewal or issuance of a permit.

Section 12. UNLAWFUL ACTS. A person who engages in business as a seller in the City of Daly City without a permit or permits, or after a permit has been suspended or revoked and before the renewal or issuance of a permit, and each officer of any corporation which so engages in business, is guilty of a misdemeanor.

Section 13. DUE DATE. The taxes imposed by this ordinance are due and payable to the Department of Finance on or before the last day of the month next succeeding each quarterly period, the first quarterly payment to be due and payable under this ordinance on the 31st day of July, 1958. The Director of Finance may require returns and payment of the amount of taxes for quarterly period other than calendar quarters depending upon the principal place of or the nature of the business of the seller or retailer, or may require returns and payment of the amount of taxes for other than quarterly periods.

Section 14. REIMBURSEMENT. The tax hereby imposed shall be collected by the retailer from the consumer insofar as it can be done.

Section 15. UNLAWFUL ADVERTISING. It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that, if added, it or any part thereof will be refunded. Any person violating any provision of this section is guilty of a misdemeanor.

Section 16. SUIT FOR TAX. All taxes hereby levied shall be payable to the Department of Finance and any civil action for the collection thereof may be filed in any court of competent jurisdiction in the State of California, and the City Attorney for said City shall prosecute the action.

Section 17. RESALE CERTIFICATE. The Finance Director may at his option accept a State of California Resale Certificate as evidence that any sale is not a sale at retail, or he may in his discretion require an affidavit from the seller setting forth such information respecting such sale as he deems necessary to determine the nature of such sale.

Section 18. EXTENSION OF TIME, WAIVER OR COMPROMISE. The Finance Director shall have the power, for good cause shown, to extend for a period of not to exceed thirty (30) days the time for making any return or paying any amount required to be paid under this ordinance, when requested so to do in writing, before the same becomes delinquent. The Finance Director may, with the written approval of the City Manager, waive or compromise any panalty or interest that would otherwise accrue under the provisions of this ordinance. The Finance Director shall make and transmit to the City Council quarterly a detailed report of any sums so waived or compromised with the reasons therefor.

Section 19. DISPOSITION OF PROCEEDS. All monies collected under and pursuant to the provisions of this ordinance shall be deposited and paid into the General Fund of the City of Daly City.

Section 20. DIVULGING OF INFORMATION FORBIDDEN. It is unlawful for any officer or employee of the City of Daly City having an administrative duty under this ordinance to make known in any manner whatever the business affairs, operations or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof set forth or disclosed in any return, or to permit any return or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person. However, the City Council may, by resolution, authorize examination of the returns by federal or state officers or employees or by the tax officers of this or any other city if a reciprocal arrangement exists. Successors, receivers, trustees, executors, administrators, assignees, and guarantors, if directly interested, may be given information as to the items included in the measure and amounts of any unpaid tax or amounts of tax required to be collected, interest and penalties.

Section 21. PENALTIES. Any person required to make, render, sign or verify any report under the provisions of this ordinance, who makes any false or fraudulent return, with intent to defeat or evade the determination of an amount due and required to be paid hereunder, is guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500) or by imprisonment for a period of not more than six (6) months, or by both such fine and imprisonment.

Section 22. SAME. Any person, firm or corporation violating any of the terms of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500) or by imprisonment for a period of not more than six (6) months, or by both such fine and imprisonment.

Section 23. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portion of this ordinance. The Council of this City hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase or portion thereof, irrespective of the fact that any one or more sections, subsections, clauses, phrases or portions be declared invalid or unconstitutional.

Section 24. That the City Clerk of the City of Daly City shall publish this ordinance once in The Record, a weekly newspaper, published, printed and circulated in the City of Daly City, and this Ordinance shall take effect and be in force from and after thirty (30) days after its passage and adoption.

Tribe Hosts Cap Cagers Tuesday In 'Must'

RAMS IMPROVED

Westmoor To Test Indians In 'Tuneup'

With their hearts set on Tuesday's 3:15 p.m. showdown scrap here with undefeated Capuchino, Jeff High's full-throttle varsity cagers will concentrate on Westmoor's Rams this Friday night at 7:30 in the Indian gym.

Coach Mike Orlich's title bounders smeared San Mateo here Tuesday, 53-26, while Westmoor lost respectably to Cap, 63-54. Jeff is 7-1 and Cap 7-0 going into Friday's tilts.

The Tribe isn't about to regard their Westlake rivals too lightly as Coach Tony Giammona's quint is a revived ball club. The Rams went down fighting to South City last week, 56-47, while Jeff worked hard to trim Burlingame, 54-48.

Big Three

Orlich's big trio of center Dennis Marc and guards Gary Ryan and Barrie Haanen spell trouble for the Rams, but Giammona boasts some real spoilers in Gary Twitty, Bill Dougherty, Larry Harper, Dave Simons, and deadly Ross Holmgren.

The Rams fell to Jeff, 58-23, earlier in the campaign.

Marc and Ryan are leader and runnerup in the Peninsula League scoring race. Dennis got 18 against Blingum and added nine Tuesday for a total of 120 points. Ryan has 109. He also bucketed 18 Friday and got 8 against San Mateo.

Haanen, another all-loop candidate, was high in the Tuesday win with 17 points.

Giammona's Rams are bebinning to hit as a team. Twitty, Dougherty and Simons hit in double figures last week, and Tuesday Holmgren helped Twitty and Dougherty carry the burden.

Best Five?

Cap here Tuesday will be paced by five players called the best in the league (by lower Peninsula scribes). Main threat is forward John Condrin.

But Orlich has much faith in his Big Three, and the come-through efforts of forwards Wayne Lewis, Gene Firth and Ernie Howren. March has no equal on the backboards, remember.

Cap spoiled Jeff's PL debut by waxing the Indians, 53-44, as the Daly City five was ice-box cold. Since the setback, only Burlingame has belonged on the same court with Orlich's crew.

Ino Patron of Jeff's 30's maintained his loop scoring lead Friday though his squad lost to Burlingame, 44-36. George Ojakian was tops with 12 for the Indians, and Ino had 10.

The loss gave Steve Mezzera's lightweights a 3-4 mark. Cap is unconquered in this division.

Daly City Files Report In AAA Traffic Contest

Daly City has submitted a complete report of its pedestrian accidents and accident prevention program to the California State Automobile Association for judging in the American Automobile Association's annual nation-wide Pedestrian Protection Contest, according to Sergeant Henry Sundermann, traffic division.

The city's pedestrian accident record and other phases of its program to protect the pedestrian will be compared with other cities of the same population group in the United States. A board of judges, comprising some of the most prominent men in the field of traffic safety, will review all reports and announce the winners later this year.

Forty-five states and 1650 cities, including California and Nevada, entered the contest last year.

In 1957 there were no pedestrian fatalities here. Looking forward to the city's 1958 record, Sergeant Sundermann, contest representative for the city, said:

"The success of any program designed to safeguard the lives of pedestrians is completely dependent upon the full cooperation of all persons in our city. Our children receive excellent training in safe walking habits as part of their school instruction but many of the adults have received no formal training and have bad traffic manners when on foot. Each of us should remember that when we cross streets we are obligated to obey all of the traffic laws just as the motorist is. If each of us makes a conscious effort to use good sense and courtesy when crossing streets, we can achieve a pedestrian safety record this year that is outstanding."
